

CORECARD SOFTWARE ANNOUNCES SUPPORT FOR GOVERNMENT SECTOR PREPAID CARDS

NORCROSS, GA, Jul 7, 2011 - [CoreCard Software](http://www.CoreCard.com) (www.CoreCard.com), a leading provider of card management and boutique processing solutions, announces its support for Government sector prepaid cards. "It is no secret that the costs to run government programs are on the rise while tax revenues are declining," said J. Leland Strange, CoreCard Software CEO. "CoreCard recognizes the pressure is on to provide taxpayers with more services in a timely manner without increasing their budget."

CoreCard Software is pleased to provide a cost effective alternative to the costs of doing business where repeat transfers of fund is incurred. With CoreCard's CoreISSUE configured for Government Prepaid Cards, issuers and processors benefit by using the most advanced solution for issuing and managing Government cards. Government agencies across the country are using the various types of prepaid cards to better control their costs while increasing customer satisfaction.
