CoreCard Software Managing Director, J. Leland Strange, to Moderate Prepaid Card Expo 2009 Panel: …Cost Cutting Via Prepaid Cards Panel Discussion to Include Executives from MasterCard Worldwide, First Data and Skylight Financial

NORCROSS, GA, March 4, 2009 CoreCard Software (www.CoreCard.com), a leading provider of prepaid and credit card processing licensed software, announced that Managing Director, J. Leland Strange, will act as moderator for the "Cost Cutting via Prepaid Cards" panel at the Prepaid Card Expo 2009 in Orlando, FL. The panel will be held on Tuesday, March 10, 2009 at 11:35 am.

Strange intends on engaging "Cost Cutting via Prepaid Cards" panelists in discussions on how prepaid cards play a role in the unbanked population of America, trends in electronic payroll administration, paperless payroll offerings and available options, benefits to companies offering prepaid cards and key metrics from case studies. Panelist will include Elisa Corridore, Vice President of Global Product Development, MasterCard Worldwide; Kevin Lee, CEO, Skylight Financial; and Rich Jackman, Senior Vice President, First Data.

"In today's economy, employers are increasingly seeking to reduce expenses," said Strange. "Prepaid processors and program managers have seen great benefits from paperless pay and reduction in administrative cost and I look forward to discussing trends and advantages with the panel."
