

CORECARD SOFTWARE JOINS INDUSTRY LEADERS AT THE PREPAID EXPO USA 2011 IN ORLANDO, FL, March 6 – 9th

CoreCard Software (www.CoreCard.com), a leading licensor of pre-paid card management systems as well as a prepaid/revolving credit processor, is pleased to announce that it will be attending the Prepaid Expo USA 2010 at the Orlando World Center Marriott in Orlando, Florida.

“Like this event, the Prepaid Industry continues to evolve and grow,” said Leland Strange, CEO of CoreCard Software. “This Expo brings together all the players in the industry to help companies plan business strategies and take advantage of new technologies in the industry.”

He continues, “In order for companies to take advantage of using prepaid cards, they must choose a solution that is flexible enough to fit their overall operations and marketing needs and also allows them to grow in the future. This show allows us to discuss our capabilities and help companies understand our software. CoreCard offers that unique flexibility by making processing available as Software as a Service (SaaS) and Platform as a Service (PaaS), as well as, software licenses so the Prepaid Manager can also process in-house, if they choose. The software provides a feature-rich and flexible platform for processing and managing products in all prepaid segments.

CoreCard offers attractively priced solutions for veteran prepaid card issuers, and processors, as well as companies looking to enter the prepaid card market. Attendees of the Prepaid Expo are encouraged to make plans now to stop by booth number 824 to meet with representatives of CoreCard and discuss how CoreCard can help them establish or grow their portfolios.
